 means there is at least one NFI Certified Professional on staff

*It is the purpose of the HPBA Pacific Affiliate organization to foster and promote the business interests of the enterprises in the Hearth Industry including, but not limited to:*

- Encouraging the creation of new commercial opportunities.
- Facilitating trade and commerce within the industry through promotional activities.
- Undertaking research and education activities to overcome obstacles to industry sales.
- Fostering among its members the highest level of design, quality, and performance in their products and services.
- Advocating the industries interests in legislative and regulatory debates.
- Disseminating to its members information regarding regulatory issues, environmental concerns and other issues of vital interest to the industry.
- Promoting the welfare and interests of its members of the organization in a reasonable and legal manner.
- To carry on such other lawful activities as may, from time to time, be ordered by the board of directors of the association.
