

## Business Advice

**Centurion 7** is a mergers and acquisitions firm dedicated to helping owners reap the benefits of their businesses through exit planning, business valuation, and sales strategies.

## Insurance

**Aero General Insurance Services** offers HPBA Pacific members complimentary assessments of your current coverage and will acquire the lowest possible rates for you. Not every carrier can write policies in California. Nick Pulone has served the hearth industry for over 23 years and understands the challenges of our industry.

## Certifications

**National Fireplace Institute** offers a 33% discount on all NFI exams and manuals, including the new ones being rolled out this year!

## Management & Marketing

For over 30 years, **Huntington Association Management and Marketing** has been an association management and marketing resource for non-profits, arts, and professional associations. Whether you seek an executive director, marketing of your special event, or desire an entire staff of administrative or marketing personnel, Huntington will meet your needs.

## Training

**Hearth, Patio, Barbecue Education Foundation** offers recorded versions of their live classes as well as recordings of some of the great sessions offered at the HPBExpo. Students can access the OnDemand classes at any time, day or night. There are now over 340 classes available and as an HPBA member you will get a 20% discount off of you subscription.

## Coaching

**CVC Success Group** offers all HPBA members a 10% discount on subscriptions to their CVC Base Camp Learning platform. This is an education program that offers training using virtual presentations available 24/7.
