

NEWSLETTER • FEBRUARY 2022

Dear Colleagues,

I'm going to make this short because you are busy people. Name two things you want at Round Up.

We are building the May 22-23, 2022 Round Up schedule and want to give you **exactly** what you need. Yes, there will be the 3-Day Hands-On Technical Training. So, what else do you want?

Pacific Round-Up is a HUGE member benefit. This is your chance to have the program you really want. **Right now**, send your desires to artfulpat@gmail.com. We will consolidate all replies for the committee.

POR FIN!

**COMING THIS SPRING! ALL NFI EXAMS
WILL BE AVAILABLE IN SPANISH!**

The National Fireplace Institute® has started the process of translating our certification products into Spanish. All NFI exams are available in Spanish online. NFI reference manuals and review courses will be translated as soon as possible and also be available online.

Plus, NFI has started the three-year process of updating all five certification manuals and exams. Subject Matter Experts (SMEs) met in December to review and update the Industry Job Analysis. The 7th Edition *Pellet Manual* has been completed. The process of updating the Pellet Exam is underway.
