Holiday Dinner & ANNUAL MEETING

...A UNIQUE EVENT WITH OUR FIREPLACE COMMUNITY!

Join us for our annual Holiday Celebration with a bit of a spin this year! Being held at Lucid Winery in Sacramento, we will be building our own charcuterie board while we sip a variety of Lucid Wines. Each attendee will be given all the items to build your own charcuterie board with a guided lesson by Grazing Gouda so you can learn the basics of building your own board at home. During the charcuterie building, there will be a wine pairing that will take place with all our guests.

Your Ticket Includes:

- 3-4 wine tasters supplied by Lucid Winery
- Charcuterie board food and items for your own charcuterie board
- Desserts and other appetizers throughout the evening
- Networking time to connect with our members and community

To top the evening off, we will be recognizing **John Crouch**, who retired from HPBA in September with a special retirement send off. *Join us to celebrate John and have an evening of fun with HPBA Pacific!*
