## A letter from our Board President

**Pat Lopez, Burnie Fireplace Services**

As we continue to navigate the evolving landscape of our industry, it remains crucial for us to unite and support initiatives that foster growth and development within our affiliate. That is why I am writing to request your support for the Hearth, Patio & Barbecue Association (HPBA) Pacific through a yearly sponsorship.

Sponsorship from industry leaders like you plays a vital role in our ongoing activities and initiatives. Your contribution not only helps fund our programs but also demonstrates your commitment to the advancement of the Hearth, BBQ and Outdoor Living industries. Together, we can ensure that we are equipped to meet the challenges ahead and capitalize on new opportunities. By becoming a sponsor, your company will gain valuable exposure within our community, connect with other industry stakeholders, and be recognized for your commitment to excellence in our sector.

Additionally, this partnership will reinforce the importance of collaboration within our industry, fostering an environment where innovation and success can flourish. We would be honored to have your support as we work towards our common goals.

I am happy to provide additional information about the benefits of sponsorship and how your company can play a pivotal role in our collective success. Thank you for considering this opportunity to make a lasting impact on our affiliate and the industry as a whole. I look forward to working together.
