

FOLLOWING PACIFIC HPBA IGNITE 2026

SOUTHERN CALIFORNIA AND NORTHERN CALIFORNIA
DEALERS ARE WELCOME

You're Invited GAS VALVES & CONTROLS TECHNICAL TRAINING

Join us at R.H. Peterson Co. for technical training on Real-Fyre gas valves and controls — then take a factory tour and see how we make Real-Fyre gas logs, Fire Magic grills, AOG grills, AFD fire tables, and more.

WHEN

Thursday, September 3, 2026

9:30 AM – 12:30 PM • Lunch included

WHERE

R.H. Peterson Co.

14724 E. Proctor Ave., Industry, CA 91746

WHAT'S ON THE AGENDA

Installation Do's and Don'ts
Real-Fyre gas valves and controls — installation, troubleshooting, and best practices, taught by the team behind the products.

Plus a factory tour to see how we make Real-Fyre gas logs, Fire Magic grills, AOG grills, AFD fire tables, and more.

Lunch included.
